First through fourth placement ribbons will be awarded in all classes except Chances which is a pass/fail event.

Exhibitors should research the Skilled and Proficient Categories on the NADAC website (www.NADAC.com) to decide which category to enter

4", 8", 12" and 16" Junior Handler and Veteran Division jump heights along with 8", 12", 16", and 20" Standard jump heights will be individually placed. Skilled and Proficient categories will be separated for placements.

Jump Heights:

Dogs entered in the Proficient Category must jump at the minimum jump height specified by the following table. Dogs entering the Skilled Category **MUST** jump one jump height lower than the heights listed in the table. Skilled dogs run against the Standard Course Time of that jump height and are placed with those dogs.

	Small Dogs		Medium Dogs	Large Dogs
Standard	11" & under Jumps 8"	14" & under Jumps 12"	18" & under Jumps 16"	Over 18" jumps 20"
Jr. Handler	11" & under Jumps 4"	14" & under Jumps 8"	18" & under Jumps 12"	Over 18" Jumps 16" (May NOT jump higher)
Veterans	11" & under Jumps 4"	14" & under Jumps 8"	18" & under Jumps 12"	Over 18" Jumps 16" (May NOT jump higher)

* Measuring: Dogs with permanent height cards or in the Skilled category do not need to be measured. All dogs entered in the Proficient Category in Novice, Open or Elite jumping 4", 8", 12" or 16" are required to be measured (except Veteran or Junior Handler dogs jumping 16"). Dogs jumping 20" are not required to be measured.

Measurement forms may be obtained at <http://nadac.com/Application-for-Permanent-Height-Card.htm>.

Veteran or Disabled Handler:

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. This is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Intro Classes

We are proud to announce the addition of "Intro" as a level to the NADAC program! "Intro" is a level for the classes, just like Novice, Open and Elite. So now there are four levels to each class.... Intro, Novice, Open and Elite.

The Intro level will be a shorter course than Novice. The only Intro level class with weaves will be Intro Weavers and it will have one set of 6 poles. No other classes will have weaves in them. The Intro level will have no tunnel/contact discriminations. The Intro level is a full titling level with the basic titles at 30 points, Outstanding Performance at 60 points (100 points for Regular) and Superior Performance at 100 points (200 points for Regular). In Intro, dogs may jump any jump height lower than their regulation height. Dogs may NOT jump higher than their regulation height.

You do NOT have to start in Intro, you can start your dog's NADAC career in Novice!!!!!!
